When the holiday falls on the weekend it will be observed either the Friday before or the Monday after. COF will be closed for two separate weeks for our family/staff vacations and an additional week for construction. Those weeks are as follows:

Week 1: February 1st- 9th (CENTER ONLY)

Week 2: June 24th -28th

Week 3: December 23rd-27th

The first closure is a construction week to finish our remodel project at the Center. These dates are finalized with our contractor and state/city inspections. We appreciate your understanding and flexibility with this. We have been working on this project for almost 2 years to avoid closing for a month all at once and this is the most condensed time frame we can manage. As always it is such a pleasure to be a part of each child's life. Thank you for sharing your precious little ones with us.
